VERY IMPORTANT DETAILS

- ★ The owner has inquired for the latest IMPORT REQUIREMENTS by contacting the Official Veterinary Authority in the importing country
- ★ The HEALTH CERTIFICATE may not be more than 10 or 14 days old depending on the country of entry
- ★ The RABIES VACCINATION has been given at least 21 or 30 days before entry depending on country
- ★ The MICROCHIP MUST be implanted on the same date or prior to the date of the rabies vaccination
- ★ The ANTI-TAPEWORM treatment has been administered between 1 and 5 days prior to arrival
- ★ An import permit or approval is required: contact the official party in advance (see emails provided)
- ★ TRAVELING BACK TO CURAÇAO? Inquire for our import requirements at info.uovz@gobiernu.cw

VALID

Animal ID

OK
